

Letter of Support - HR 5429 "Investor Deposit Yardstick Act" (InDY Act)

By signing this Letter of Support, I am endorsing HR 5429, the "Investor Deposit Yardstick Act" (InDY Act). HR 5429 retroactively applies the raised limits on the insured deposit accounts in banks that collapsed between January 2008 and October 2008, to the federal government's increase in the FDIC insurance limit from \$100,000 to \$250,000 per account holder. This legislation is fully paid for out of fees assessed on financial institutions by the FDIC, and NOT by taxpayer dollars.
